SPECIAL FILMING CONDITIONS
DESMOND ESTATES ROAD AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The area around Desmond Estates Road at Mulholland Drive and Runyon Canyon Road, north of Runyon Canyon Park, is used for filming at various locations, and for parking equipment/cast/crew in a dirt area located on the south side of Mulholland Drive and on the east side of Desmond Estates Road. This parking area is Los Angeles City Department of Recreation and Parks (RAP) property and must be coordinated through the Department's film office. The following Special Filming Conditions apply to all activities in the area, including parking:

- **Affected residents within 500 feet of any and all filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first filming day or the first day of any substantial set preparation, unless later notification is approved by FilmLA.** *Permit request must be submitted to FilmL.A. at least three (3) days in advance.*

- **Smoking is not permitted** unless confined to areas designated by assigned Los Angeles City Fire Department (LAFD) personnel.

- **Use of the Department of Recreation and Parks vacant lot on Desmond Estates Road and Runyun Canyon Road for equipment parking will require a walk-through with a FilmL.A. Production Coordinator to ensure generators, motor homes, trailers and honey-wagons are placed in areas that will minimize the impacts to surrounding residents.**

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **Production companies must display signs near equipment and cast/crew parking that read as follows:** *"Residential area - Please keep noise and disturbance to a minimum."*

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor.
